Hello, everyone!

Write down all these words.

Dad put a rug on the sand. Mum got out the picnic. "Tuck in!" said Mum. "And do not get sand in the sandwiches," said Dad. A paraglider went by and landed on the sand. It was Ms. Green! A sandwich landed on Kipper. "Oh, no! Gulls!" said Mum. Dad ran to the picnic, but the gulls had it all. "Sand but no sandwiches," said Dad. "Pizza!" said Chip. "Yum, yum!"

Okay, guys, see you!

Dictation Contest (PR1, 中級) No. 134

Hey, guys! How's it going?

So now, Luke, along with everybody else, is captured by Jabba the Hutt. Let's see what happens...

To punish Luke and his friends, Jabba will feed them to the Sarlacc, a sand monster. It will digest them for a thousand years. But just before Luke is about to be eaten, he springs into action. R2-D2 tosses the Jedi his lightsaber. Throwing off his disguise, Lando Calrissian joins the fight, too. The heroes quickly defeat Jabba and his henchmen. Han knocks Boba Fett into the Sarlacc pit, and they all escape Jabba's barge as it explodes.

Ooh, great! So, where will they go now? Let's find out next time, okay?

See you guys!

Hey, guys! How are you doing?

Hope you're all still staying healthy and safe.

This time I want to read you a little bit more from this supposedly non-canonical Star Wars novel. But don't worry – I won't reveal anything important about the story, in case you want to read it yourselves.

For Orrin, returning to the Claim was always like coming home. It wasn't his home, of course; it was Dannar's. And then Dannar's and Annileen's, and for the last several years, Annileen's alone. But Orrin felt a tie to the compound that went beyond the law – or such law as there was on Tatooine. Orrin had laid the first bricks for the store, driven the first landspeeder for repair, and eaten the first meal at the lunch counter. A place was a thing, and you weren't supposed to get sentimental about things. But it was also his last link to the best friend he'd ever had. And that wasn't something he'd ever be able to ignore. He and Dannar had made great things happen in the oasis, but Dannar had changed after marrying his salesclerk. He'd always kept a foot in the store after that, never willing to risk more than he could afford at one time. And after Kallie was born? Forget it.

Okay, so what do you think about that? Maybe we'll find out more about these relatively unknown characters another time.

Alright, guys, as always – study hard, stay safe, and I'll see you soon.
