Dictation Contest (PR 1, 中級) No. 481

Hello, everyone. Welcome back to PR1.

Today, I will be telling you a story called The Deer and His Image. Let's begin.

A deer told himself every day, "I am the most handsome deer in the forest. My large chest is a symbol of my power. And my beautiful horns impress other animals."

But he did not like his legs and hooves, which is the word for the feet of animals like deer and horses.

"My legs are narrow, and my hooves are ugly. They do not make me happy."

One day, the deer saw a big dog. The deer made some noise and disturbed the dog.

So, that would be all for today. Thank you for watching, and see you next time. Bye-bye!

Dictation Contest (PR2 上級) No. 481

Hello, everyone! Welcome back to PR2.

Today I am going to read the rest of the text about the ice house. Let's begin!

The first step was to build the walls and ceiling. The builders used a metal frame to help them build the structure. After the ice was in place, the frame was removed. The builders then created furniture and art pieces. Designs were carved into each piece. One worker carved big wavy lines, and another made tiny clockwise, concentric circles. Finally, the workers carved small cavities in the roof and inserted colored lights. When the work was finished, the beautiful house was ready for a resident to enjoy.

Living in the House is an experience like no other. Edward stores his belongings in an ice locker and lays out a sleeping bag on his ice bed. At dinner, he dines on a delicious salad with crisp toppings. And for the main course, he enjoys appetizing fish caught from a nearby river. The fish are pierced with icicles and served on ice plates. After dinner, he gets ready for a cold night. The omission of heaters can be too much for his visitors sometimes. Luckily, there are warm rooms nearby, as courtesy to people who get too cold.

That is all for today. See you next time! Bye-bye!
