

Dictation Contest (PRJr, 初級) No. 504

Hello, everyone!

Today, I will be talking about Sam's music lesson. This is part eight of the story. Let's start.

"Let's begin," said Mrs. Wendy.

The class started to sing. "La la laaa," sang the cats.

But Sam stayed quiet. He waited for his turn. Mrs. Wendy gave Sam a nod. Sam was ready.

Shawn jumped onto Sam's head. Shawn was ready, too. Sam's tail wiggled wildly. Sam opened his mouth very wide.

This is it for today. See you!

Dictation Contest (PR 1, 中級) No. 504

Hello! Welcome back to PR1.

This is the third part of the rocky shore report story. Remember that the kids were going to write a report? Let's find out what they wrote.

The kids decided: "We'll send the report to all our friends to remind them about the rules of the sea. When people understand the rules, maybe they will leave the rock pools for the sea creatures. They will look but not touch," they said.

First, the children made a book with photos that showed the rocky shore before the problem started. The pools were clear and full of plants and sea creatures. Next, they put [in] photos of the beach as it looked now, showing rubbish and empty pools.

Alright, this is it for today. Let's continue in the next movie! Bye-bye!

Dictation Contest (PR2 上級) No. 504

Hello, everyone! Welcome back to PR2.

Today you are going to listen to a rather frightening story about a girl who got kidnapped.

Let's begin!

Lucy was a very quiet girl who had an inherent fear of almost everything. The kids at school would play tricks on her all the time. They would hide behind the door of the school janitor's closet, then jump out to scare her. Once, a boy dressed up like a vampire and chased her down the street. Lucy hated being constrained by her fears, but she didn't know how to be brave.

She was walking home from school one day when someone came up behind her. Before she could turn around, a powerful man grabbed her. She couldn't scream because a huge hand was put over her mouth. Lucy knew that this could be another stunt by her classmates. The scary man restrained her arms and legs and carried her to his house. He tied Lucy to a chair. Her guts began to hurt because she was so scared.

The man poked Lucy with his forefinger and said, "You'll stay right here until I get a ransom from your parents. Then I'll be rich!"

How awful! I wouldn't wish this to happen to anyone! Come back again to hear about what happens next! For now – bye-bye!
