Hello, everyone! Welcome back to PR Junior.

Today, I will talk about a scary movie. Take a listen:

Lily goes to the movie theater. The movie starts to play. A monster appears on the screen and she screams. She is scared but she continues to watch. The screen is completely black. She reaches for some popcorn. The monster screams, "Boo!" She jumps and drops all her popcorn.

That's it for today, see you later!

### Dictation Contest (PR 1, 中級) No. 606

Hello, everyone! Welcome back to PR1!

Today, you are going to hear about an Olympics champion called Milo. Let's begin!

Throughout the history of the Olympic Games there have been many famous champions. But one of the most famous and successful Olympians was also one of the most ancient. From a place in southern Italy called Croton came a strong man named Milo. Milo won the wrestling event five times. That means he was the champion for more than 20 years!

Milo's strength was very famous. He trained by carrying a cow on his back up a mountain. He enjoyed showing off his strength as well. Sometimes he would hold out one hand and challenge someone to move his fingers. No one could move even his smallest finger.

However, Milo was not just a wrestler. He led the army of Croton to many victories. He was also a student of the famous Pythagoras and enjoyed poetry and art.

That was all for today! Bye-bye!

Dictation Contest (PR2 上級) No. 606

Hello! Welcome back to PR2!

Let's listen to a dialogue between a student and a school secretary. Let's begin!

**Giulia:** Oh, hello... can I help you?

**Ivo:** Um... yeah... I'm looking for Mrs. Dawson, is she here? I mean, is this her office?

**G:** Yes, you're in the right place – Mrs. Dawson's office is right behind me – but no... she's not here right now.

**I:** Um, do you know when she'll be back?

**G:** Well, she's teaching all morning. She won't be back until... after lunch. That's when she had her office hours. Perhaps you could come back here then?

**I:** Oh, unfortunately no. I have class this afternoon. And I was really hoping to talk to her today. Hey, um, do you know if... uh... she's accepting any more students into her Introduction to Biology class?

**G:** You wanna know if you can take the class?

**I:** Yes, if she's letting any more students sign up, I'd like... I'd like to join the class.

**G:** Introduction to Biology is a very popular class, especially when she teaches it. A lot of students take it.

**I:** Yeah, that's why the registrar said it was full. I've got the form the registrar gave me, um, to get her permission to take the class. I'm hoping she'll let me in even though the class is full. You see, I'm a senior this year and, uh... this'll be my last semester, so it's my last chance...

That's all for today! Bye-bye!
