

Dictation Contest (PRJr, 初級) No. 632

Hello, everyone! Welcome to PR Junior.

Today, I will be reading about making cupcakes with the cooking club. This is around Eiken level four. Let's begin:

Come and make cupcakes with the cooking club!

Twenty students can make cupcakes after school on December 19th. After you make the cupcakes, you can take them home. There will be free drinks. Bring an apron with you!

Talk to Miss Watanabe by December 12th to join the event.

This is it for today. See you!

Dictation Contest (PR 1, 中級) No. 632

Hello, everyone! Welcome back to PR 1!

Today we are going to listen to a conversation between coworkers. Let's begin!

Y: Do you drive to the office, Kaho?

K: Well, I normally drive in the wintertime when it's cold. Now that summer is here, though, I've been riding my bike to work.

Y: Oh, really? I guess that's a good way to exercise.

K: Yeah, it is. But the real reason I do it is that it's a lot cheaper than driving.

Y: Yes, but don't you feel tired after coming to work?

K: Actually, I get warmed up by riding bikes so it gets me the energy to get me through the day.

Y: Wow, that's sounds amazing. I might try it too!

That's all for today! See you next time!

Dictation Contest (PR2 上級) No. 632

Hello, everyone! Welcome back to PR2.

In today's movie, we will hear dialogue from [an] Eiken 2 exam about a tourist speaking to a local guide about visiting the Salas Mountains. Let's get started!

Giulia: Welcome to the Salas Mountains Visitors' Center. How can I help you?

Ivo: Hello. I'm planning on hiking up the mountains today, and I was wondering if you have any trail maps.

Giulia: Yes, we do have trail maps. Unfortunately though, all the trails on Salas Mountains are closed today.

Ivo: Oh, I didn't know it wasn't possible to hike today! Is it some sort of holiday?

Giulia: No, it's not a holiday. We are expecting a thunderstorm this afternoon, and the conditions could be dangerous. I will give you a trail map now if you decide to try to hike some other day. We recommend you check the weather forecast before coming next time, to avoid this kind of situation.

Ivo: Thank you so much! I really should have checked the weather before coming. Do you have any other tips to prepare for hiking?

Giulia: We recommend bringing a fully charged cellphone in case of an emergency. Also, please bring [a] map with you, or take a picture of it, since the map has all the emergency contacts you might need. And also, you should bring water with you, since there are very few shops on the way up.

Ivo: Thank you so much!

That was all for today. See you!

Bye!
