

Dictation Contest (PRJr, 初級) No. 639

Hello, everyone! Welcome back to PR Junior.

This is part twenty-five of the story about the Litter King. Let's begin!

"Oh, no!" gasped Charlie. "That looks like the place where we had our picnic. I can see the forest where Freddie cut his paw."

The airplane began to fly lower. This was the place he had to drop the litter.

"I don't want to drop the litter here," he thought.

That is all for today. Come back next time to hear the rest of the story! Bye-bye!

Dictation Contest (PR 1, 中級) No. 639

Hello, everyone. Welcome back to PR1.

Today, we are going to read a story about a woman whose house was invaded by bees. Let's begin.

A woman in Australia received the shock of her life when thousands of bees invaded her home. The bees set up their hive inside the walls of Megan Sutherland's house. Although she's now managed to remove most of them, there's still an unbelievable amount of cleaning to do to get her home back to normal. On a positive note, she did end up with over 30 [kilograms] worth of honeycomb and several large jars of honey.

What would you guys do if this kind of once-in-a-lifetime thing happened to you?

That's all for today. See you next time!

Dictation Contest (PR2 上級) No. 639

Hello, everyone! Welcome back to PR2.

Today, we are going to be showcasing a dialogue from [the] Eiken 2 exam. Let's begin!

Ivo: Hello. I'm looking for an old comic book. Do you have any copies of "Superheroes in Space"? I have been looking for it everywhere, but I just can't find it.

Giulia: Hmm, "Superheroes in Space". They haven't published that in years. I'm afraid we don't have any copies here either, but you should try Classic Comics. They have lots of old comic books and I am confident that you are going to find it there.

Ivo: Oh, great. I have heard of that store before, but I haven't actually been there. Finally I'm going to be able to read my favorite comic book series! Could you tell me where they're located?

Giulia: Sure. They're on the corner of South Street and Grand Avenue. Just walk down the street, turn left at the crosswalk, and you should see a big sign that says "Classic Comics".

Ivo: Thank you so much! I'm new in town so I was afraid of getting lost.

Giulia: Yeah, the city is quite big. But don't hesitate to ask for directions. People are very helpful around here.

Ivo: I'll keep it in mind. Have a nice day!

Giulia: You too! See you around!

That was all for today. Come back next time for another interesting dialogue! Bye-bye!
