

Dictation Contest (PRJr, 初級) No. 79

Hello, everyone!

What's your favourite subject?

I don't study any subjects because I'm not a student anymore. But when I was in school, I really liked art and music. I also enjoyed maths and science, but they were a little difficult sometimes. I liked studying French, too. I think it was easier than learning Japanese.

Okay, guys, see you soon!

Dictation Contest (PR1, 中級) No. 79

Hey, guys! How's it going?

Let's continue reading this unknown story:

In Ben's hut, R2-D2 plays Princess Leia's full message. The princess asks Obi-Wan to travel to her planet, Alderaan, and help the Rebels defeat the evil Empire. Luke is amazed to learn that old Ben was once Obi-Wan Kenobi, a great Jedi knight skilled in the ways of the Force. The Force is an energy field that gives the Jedi knight his power. "It binds the galaxy together," Obi-Wan explains.

Oh! So Ben Kenobi was Obi-Wan Kenobi! What a surprise!

Okay, guys, join me next time, okay? See you!

Dictation Contest (PR2 上級) No. 79

Hey, guys! How are you doing?

Hope you're all still being careful and responsible.

Did you know that Tokyo Disneyland and Disney Sea reopened this month? That might be quite exciting news for some people, but I'm not so sure it's a good idea – especially with the number of new coronavirus cases increasing again. It may end up having to close down again, which is what happened in Hong Kong. Listen to this:

For the second time this year, Hong Kong Disneyland park is closing temporarily, following the city's decision to ban public gatherings of more than four people because of the coronavirus pandemic, Disney officials said July 13th. Disney officials posted on the resort's website that the park was closing July 15th until further notice. The resort's hotels will remain open with adjusted levels of service. The resort is closing as required by the government and health authorities, in line with prevention efforts taking place across Hong Kong, the website said.

Hmm. So, do you think Tokyo Disneyland will close – or should close –, too? Either way, I probably won't be going there anytime soon.

Alright, guys, as always, study hard, stay safe, and I'll see you soon.
