Hello, everyone!

Please write down all the words you hear, including what I am saying right now.

The children wanted to go swimming. Dad said “No!” Biff got the paddling pool. Kipper filled it with water. Chip grabbed the hose. They had a water fight. Mum got wet. “Stop it!” said Dad. Dad got a bucket of water. He chased Chip. Dad threw the water at Chip. Oh no! “Sorry!” said Dad.

Oh, dear!

Okay, guys, see you next time!

Hello, everyone! How’s it going?

Let’s continue with our fun sci-fi adventure story, which I’m sure most of you recognize by now.

Luke, Obi-Wan, and the droids go to Mos Eisley spaceport to find a spaceship to take them to Alderaan. They look for a pilot in a cantina crowded with strange and dangerous aliens.

Hmm... dangerous aliens? Laser swords? Droids? If by some chance you don’t know this story, what do you think so far? Pretty exciting, right?

Okay, guys. I’ll see you next time. Bye!

**Dictation Contest (PR2 上級) No. 81**

Hey, guys! How are you doing?

Hope you're all still staying careful and safe.

I've come across a story here that might appeal to some of you and is certainly relevant to many of my students. Listen to this:

Sony Corporation said July 10<sup>th</sup> it has agreed to invest 250 million dollars and acquire a minority interest in Epic Games Incorporated, the U.S. developer of the online global hit game Fortnite. U.S. media reported the deal gives Sony a 1.4% stake in the game development studio, which also receives investment from Chinese internet services giant Tencent Holdings Limited. Sony said it hopes its alliance with Epic Games, which was established in 1991, will broaden their collaboration beyond the development of game software to film, music and other sectors. Fortnite can be played on various platforms, including computers and smartphones.

Hmm. So, do you also play Fortnite? If so, what platform do you play it on? I think Fortnite is mostly popular among younger people, but there's no denying its status as a massive name in gaming culture, and, quite possibly, gaming history.

Alright, guys, until next time, and as always, study hard, stay safe, and I'll see you soon.
